Principal Update

- Abbott gave an update about AZ Merit testing: Testing wraps up tomorrow, 4/11. Tuesday is the AIMS Science for 4th & 8th grade. Formula for labels (for schools) not given to us yet. It's likely that for 2 more years we will be using AZ Merit as our test, it may change after that time period.
-

Treasurer Update:

- Jill provided current reports. Stacia is checking into getting money back from Suns deposit (\$200) since this did not produce any funds for us.
-

Old Business/Funds requested:

- Shannon Kelley requesting assistance to pay for Sports Banquet. A vote of yes passed unanimously for pay out of PTSO general funds.
 - Shannon Kelley requested funding toward K-4th field day for cost estimate cost of \$437.96. A vote of yes passed unanimously for pay out of PTSO general funds.
 - Shannon Kelley asked for help with a solution to the ball check out/storage issue. Looking for something big to store them in as well as a location. Discussed placing a cage with lock in the cut-out alcove area by 7th/8th grade entrance to building. Abbott will look into this and let us know about placing a storage cage there as a solution.
-

New Business/Request for Funds

- Movie Night (Friday 4/12), doors open 6:30pm: Amy will handle the pizza order as well as getting ~200 water bottles. Abbott & Vickie will do testing of sound system. Jill will handle getting candy/snacks to sell as well as the cash for the evenings sales.
 - Bingo Night (Friday 5/3): Mr. Igo will be calling the numbers. Janelle will follow-up with Danielle on a donation from Haymaker. Amy will work on a flyer for selling Disney Tickets/Raffle items to send out to the community. We have quite a few donations that have come in for Bingo prizes as well as the Raffle Prizes.
